

**Yes/ No Questions (2)**

If the item begins with a modal auxiliary (such as *can, may, will, should, must, etc.*), or with a negative auxiliary (such as *can't, shouldn't, etc.*), the question is a yes/no question.

The answer will usually begin with *yes* or *no*, but sometimes the *yes* or *no* is understood.

E. g. Aren't you coming for dinner tonight? (Yes) I'll be there.

**Choice Questions (1)**

Choice questions ask about preferences.

Choice questions present the choices using the word '*or*'

They are a type of information question and shouldn't be answered with *yes* or *no*.
