Dear Mr. Merchand,

My name is Susan Greene and I am a 2nd year student at Melbourne University reading for a BSc in Economics and Managements. I am very interested in your internship this summer because I have taken courses this year on trading in East Asia and think it is fascinating.

I am a good time-keeper and very motivated. I am also computer literate and keen to learn new skills. I note that you require knowledge of SPSS for statistical analysis and I can inform you that I completed two courses using SPSS last semester.

I believe I am a suitable candidate for your internship this summer and I would give it my very best if I was selected. If you wish to contact me, I can be reached at the email address above or by phone at 0483-872-8346. I have attached my resume to this email. I hope to hear from you soon.

Yours sincerely,

Susan Greene
