department _____ in the sales department.

not only ... but also

Underline the correct transitional words to complete the passage.

I think I have the most inspiring story ever. (**First off / In spite of**), I want to share what my current job is. I work as a graphic designer of a company in our city, but getting this job wasn't easy. I finished university and started applying in different companies but nothing good happened. (**To start with / After that**), I felt discouraged from applying and decided to quit becoming a designer. (**Meanwhile / Lastly**), my friend's company was looking for interested applicants. I (**then, since**) immediately applied, and submitted all the needed documents. I also have shown them a design that I have worked on for years. (**However / In the end**), the company hired me and gave me my own studio. I am now happy to be one of the company's senior graphic designers.
