install

complicated

accustomed

previous

get the hang

Listen to the audio and repeat.

Aya and Jackson are talking about a new graphic design software.

Jackson: Hi, Aya! Have you adapted to the new graphic design software?

Aya: Not yet, but **I am getting used to it.** Why did we have to install this software?

Jackson: It offers more tools and allows you to work on more projects. It looks complicated at the beginning but after a few tries, it will be easier for you. It will also speed up your designing.

Aya: I hope I will get accustomed to it quickly. There are so many incoming projects that I need to do in a short span of time.

Jackson: Trust me, it's not as difficult as you think. Call me if you need help.

Aya: Thank you, Jackson. You are an expert at dealing with this new software. Have you used it before?

Jackson: Yes, I have. This was actually one of the software I used in my previous company. **I am used to designing my cartoons using this software.** How about you? What was your first graphic design software?

Aya: **I used to design my first projects in CorelDraw since it was easy to get the hang.**
