Reading Time

The family was going away. "Look after Floppy," said Dad.

Gran liked looking after Floppy. She took him for lots of walks. She threw sticks for him to chase and balls for him to catch. Gran had a motorbike. It was bright red. "Jump in, Floppy," said Gran. Gran put on her crash helmet. "Where are we going?" thought Floppy. Soon, they were zooming into the town.

"Isn't this fun!" said Gran.

"Not for me!" thought Floppy.

Reading Time

At last, Gran stopped. She packed the motorbike on the sand. “Stay here, Floppy,” said Gran. “Look after the motorbike. I’m going shopping.”

Gran was away for a long time. The tide started to come in. A wave splashed the front wheel. Then a wave splashed the back wheel.

“Gran has parked too close to the sea!” thought Floppy.

“I must find Gran,” thought Floppy.
