

DAILY ENGLISH

C03

My work is interesting.

A low-angle, upward-looking shot of a person in a dark suit with their back to the camera and arms outstretched towards a bright sky. The person is positioned in the lower center of the frame. Surrounding them are several tall, modern skyscrapers with glass facades, their lines converging towards the top of the image. The lighting is bright and slightly overexposed in the center, creating a sense of aspiration and achievement.
