

LITTLE
FRUIT
SHOPPER

Say, Calculate, and Write

$$\text{apple} + \text{orange} = \square$$

$$\text{orange} + \text{pear} = \square$$

$$\text{pear} - \text{apple} = \square$$

$$\text{pear} - \square = \text{orange}$$

Molly and Bobby have a special shopping task!

Are you ready, Bobby?
Let's go fruit shopping!

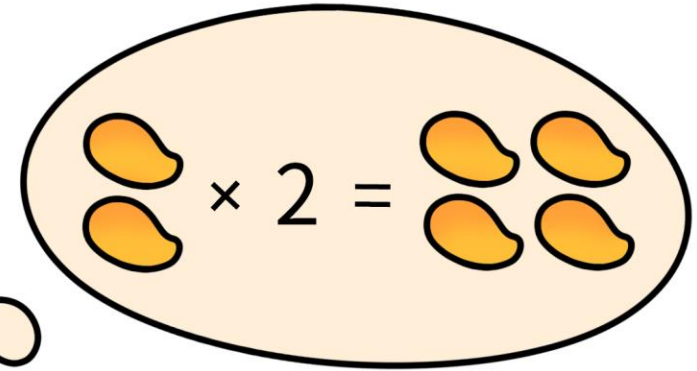

Ready! Ready! Let's go!

They go to the mango stall.

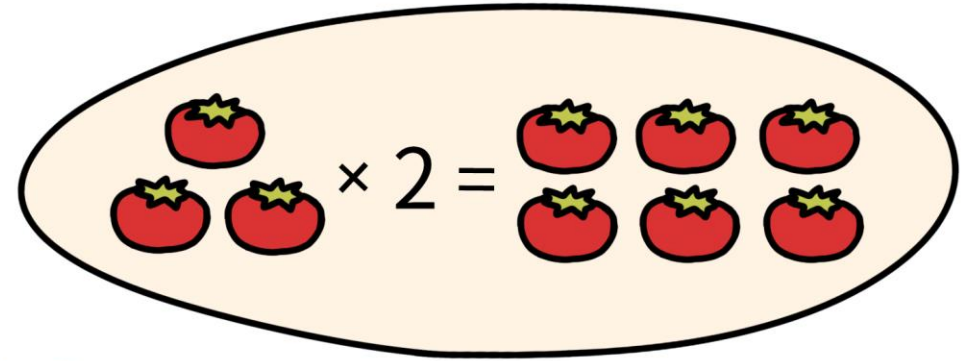

We need four mangoes!

Two times two is four!

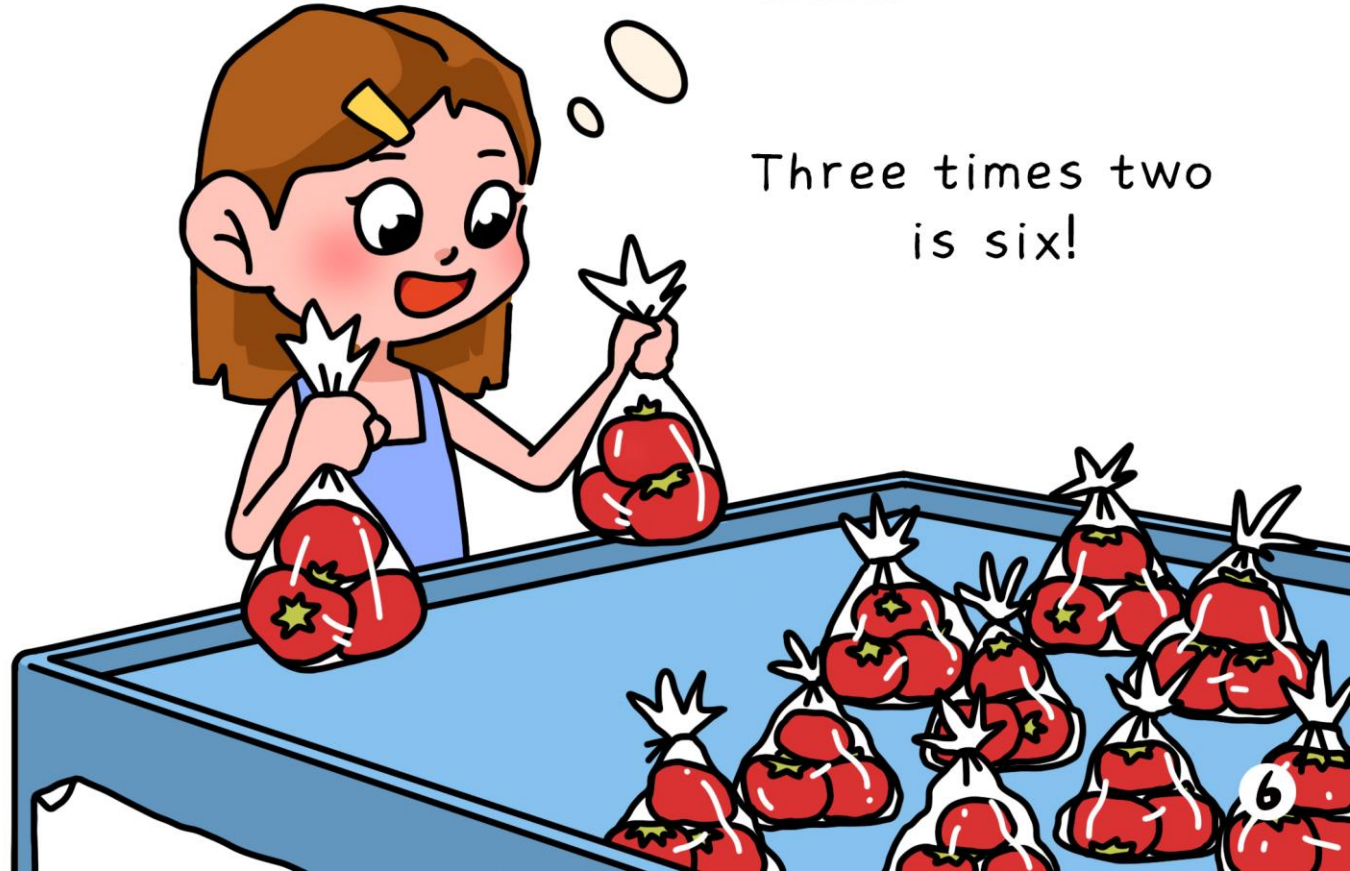

They arrive at the tomato stall.

We need six tomatoes!

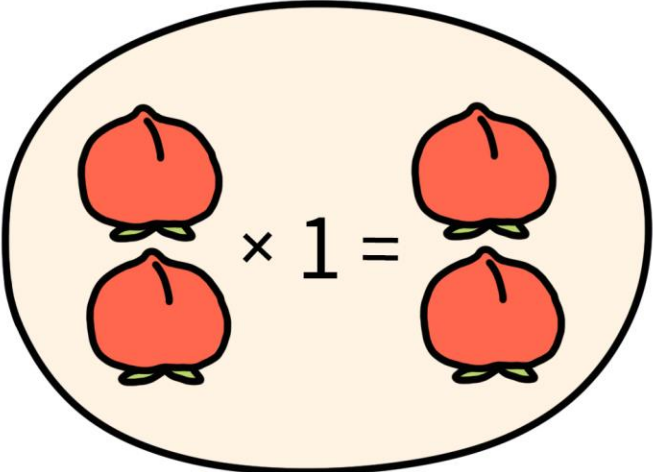

Three times two
is six!

Then they find the peaches!

We need two peaches!

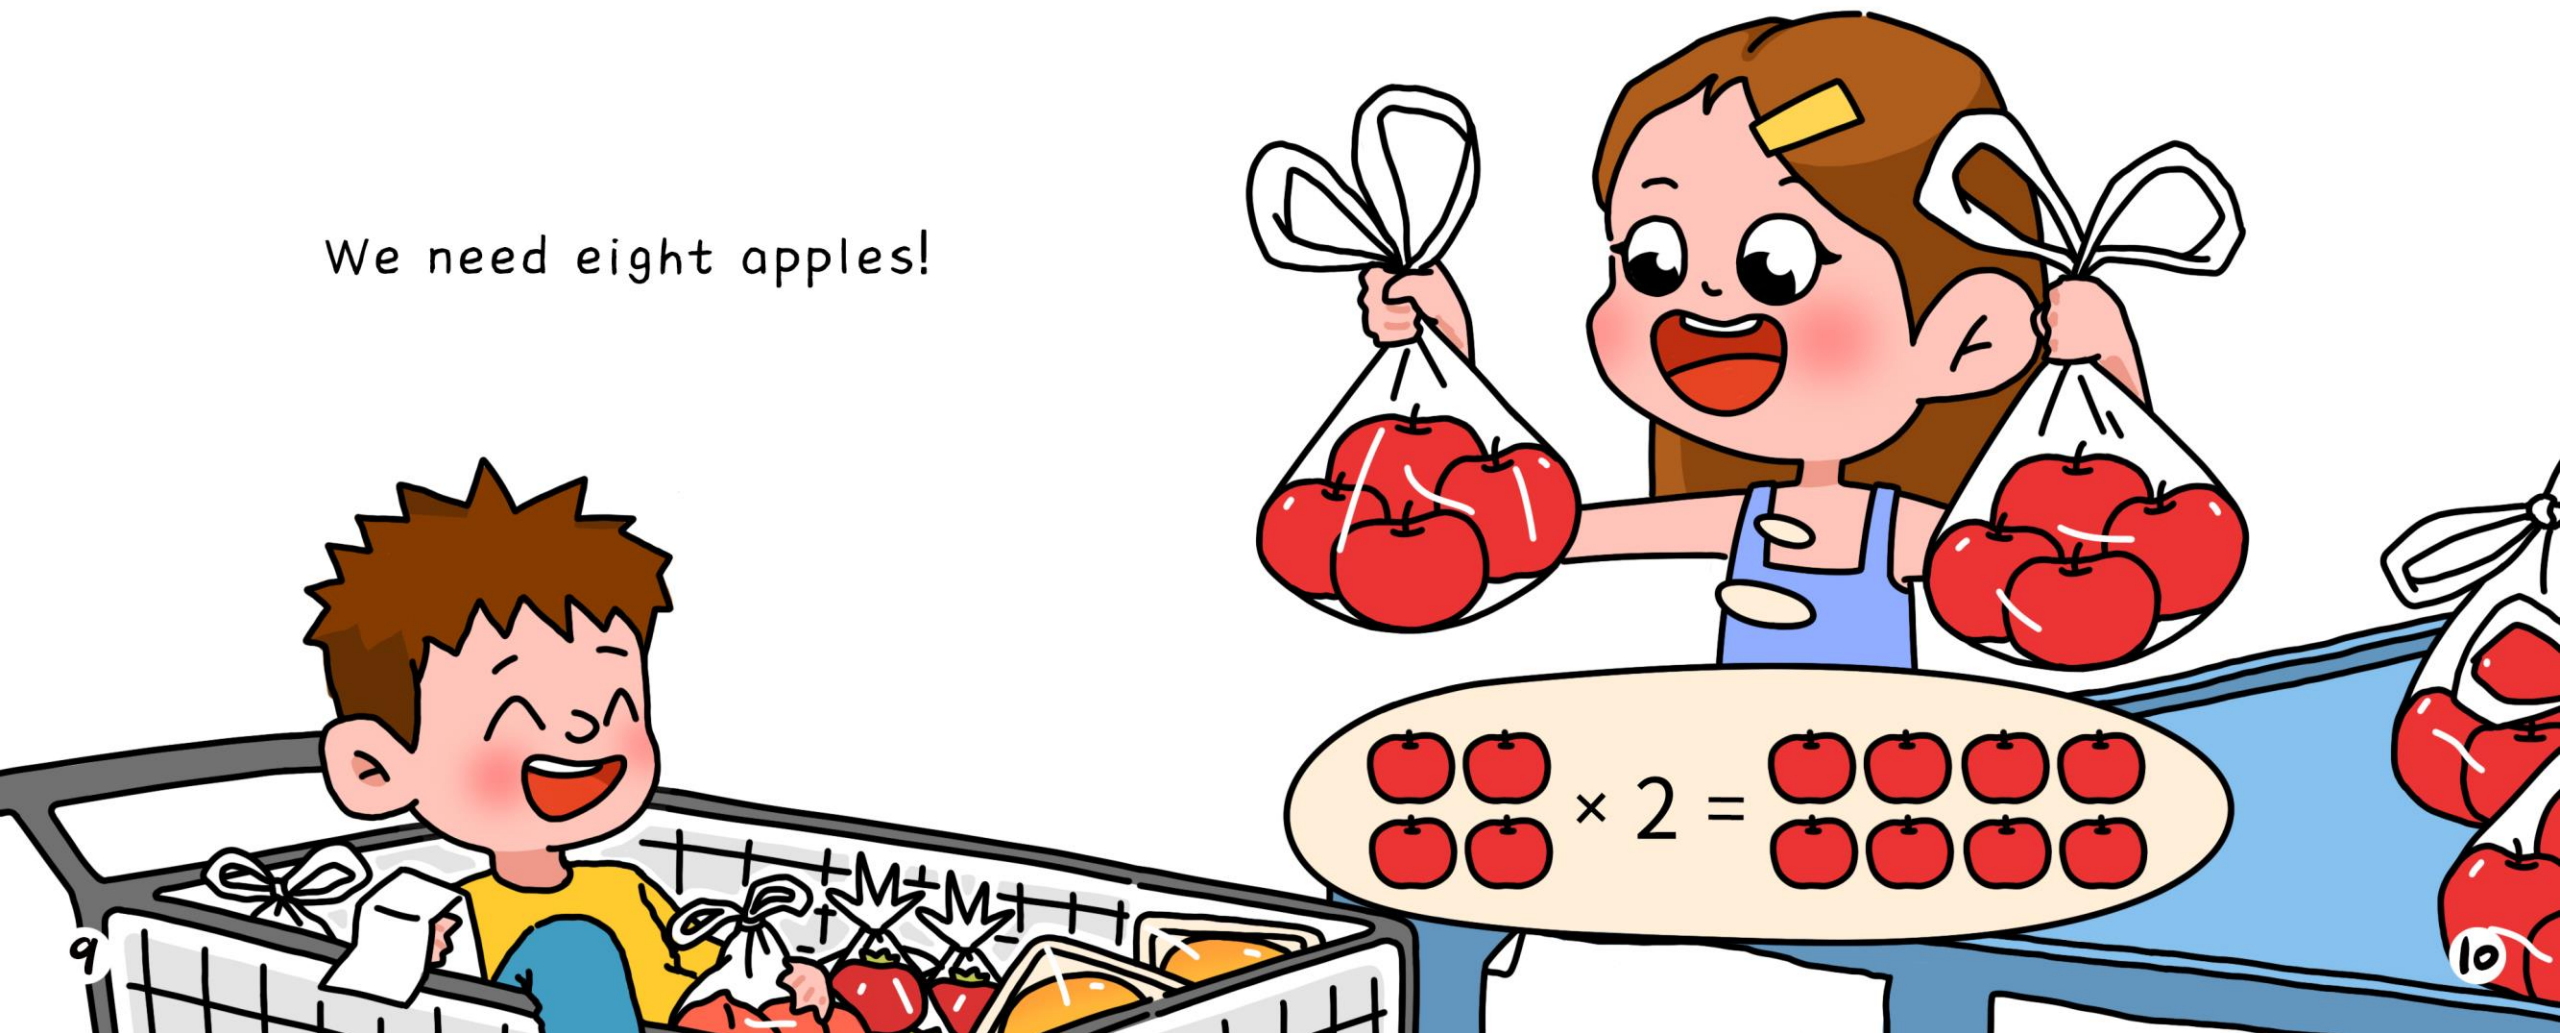

Two times one is two!

**Next, they go to the
apple stall.**

We need eight apples!

Four times two is eight!

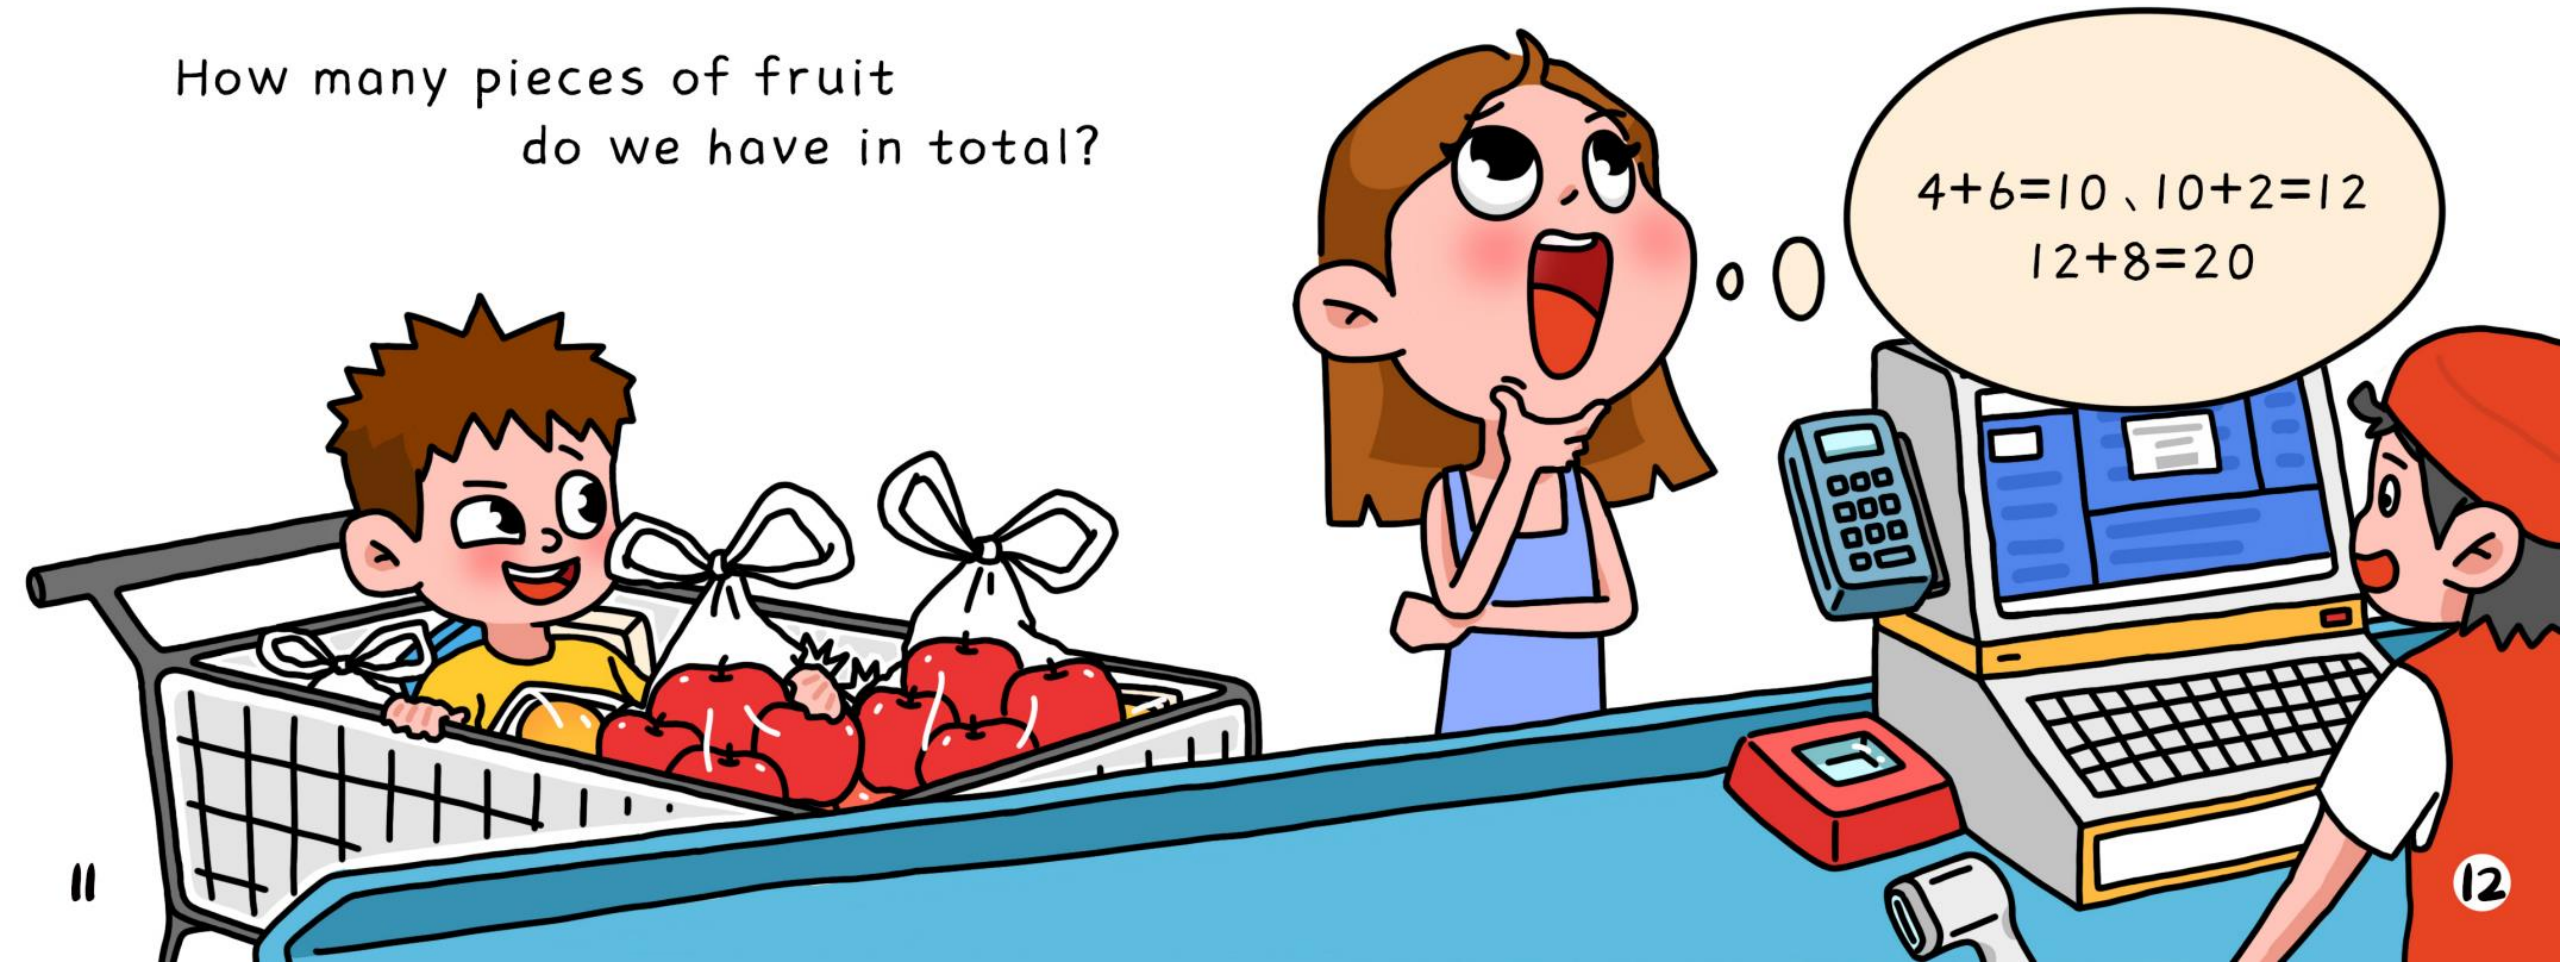

Finally, they are at the checkout counter.

Four plus six is ten.
Ten plus two is twelve.
Twelve plus eight is twenty!

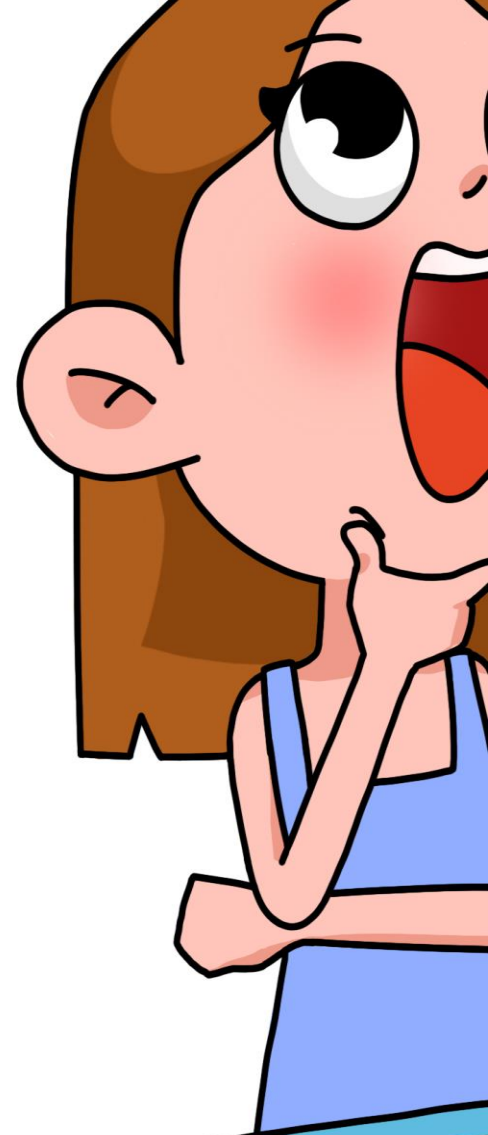

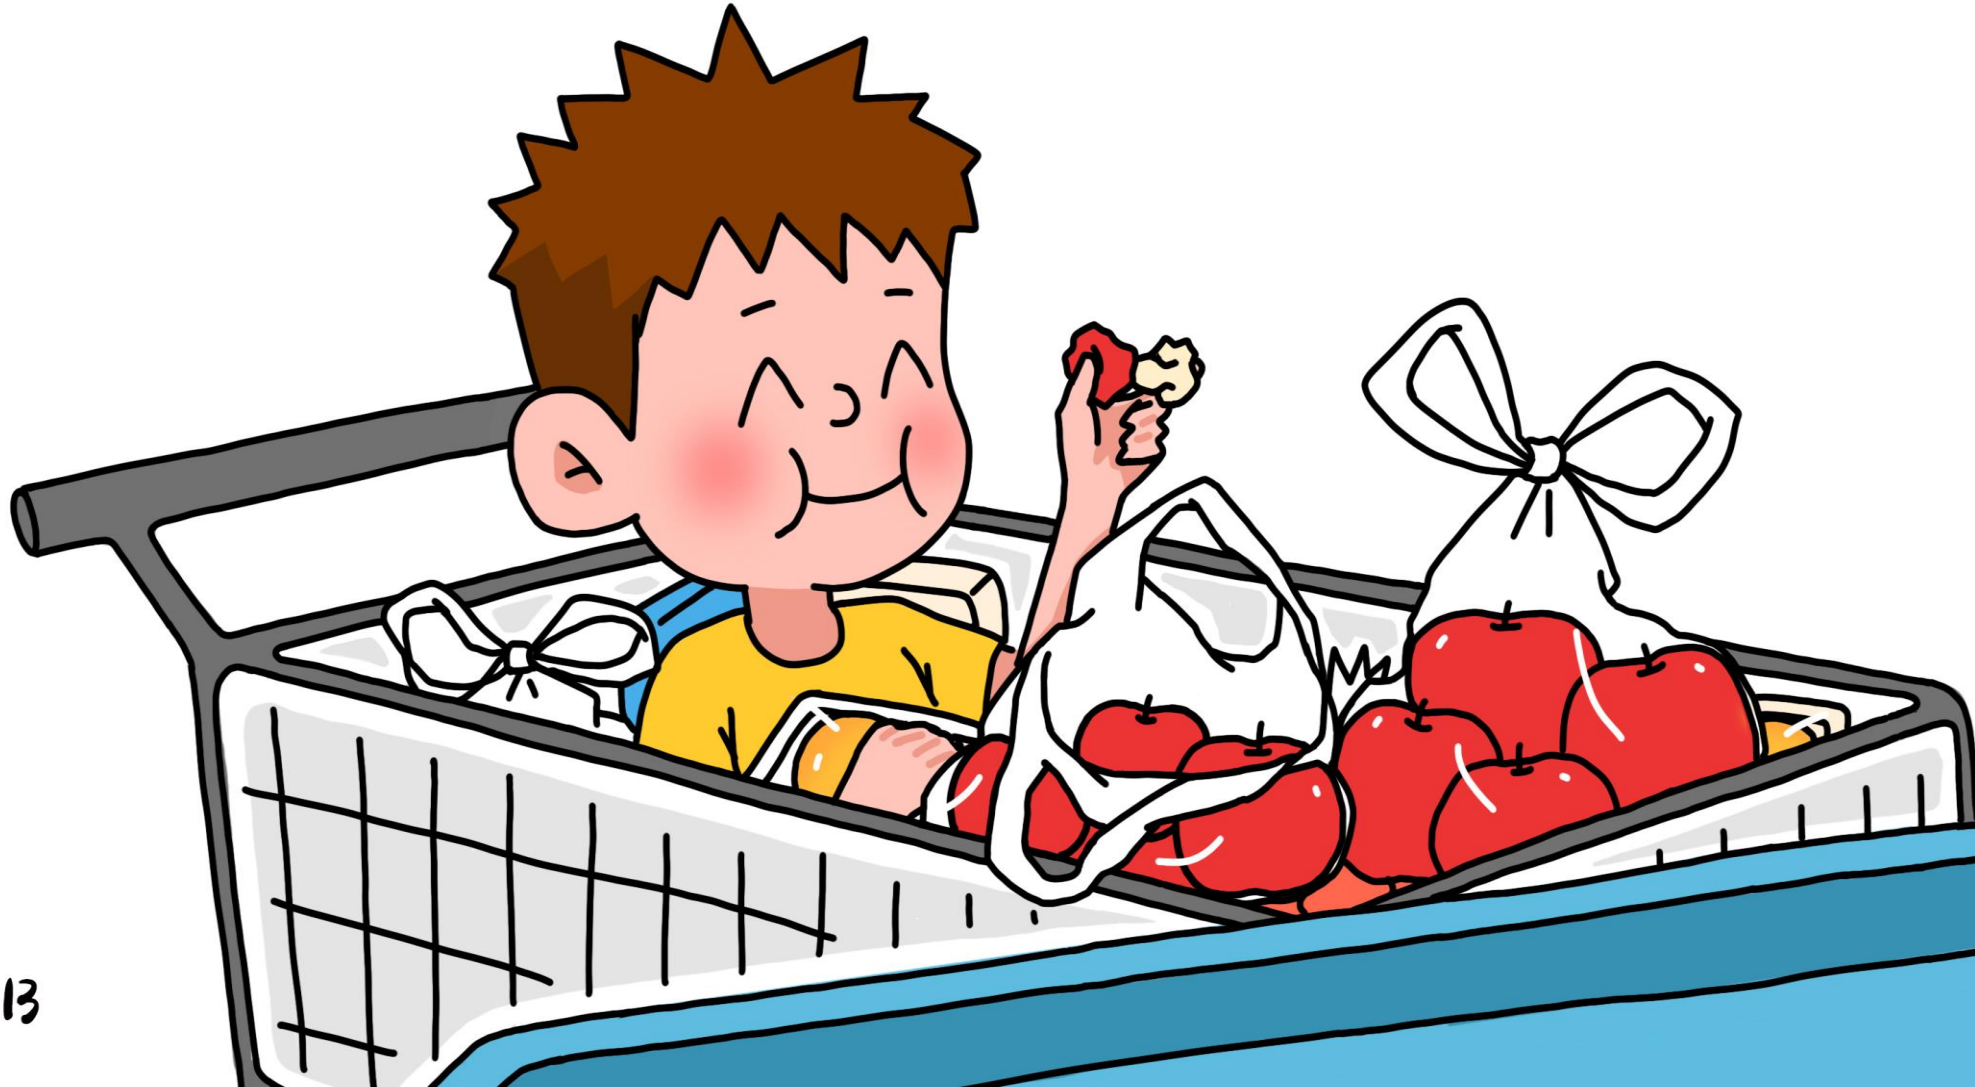

How many pieces of fruit
do we have in total?

$4+6=10$, $10+2=12$
 $12+8=20$

Molly is too busy to notice Bobby.

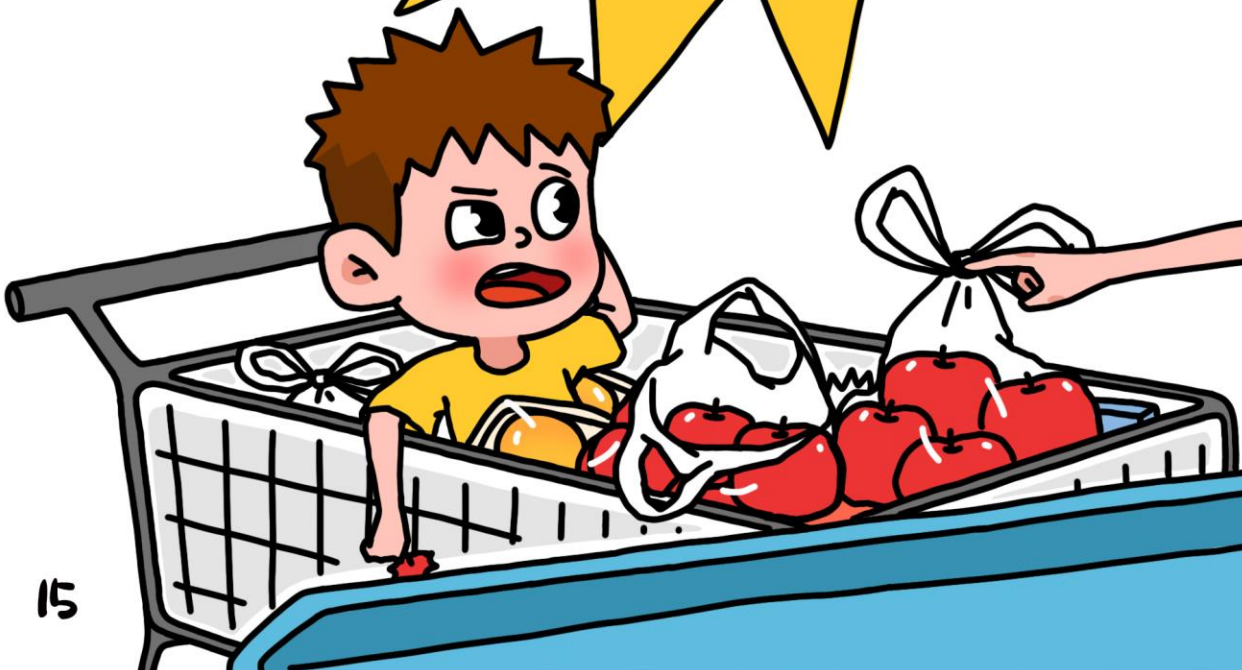

Twenty minus one is ... nineteen.

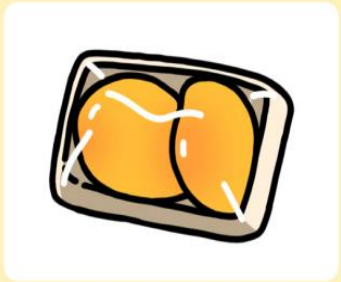

Bobby!

You can't eat it before checking out!

... Sorry!
