<p>J Unit 3</p>	<p>3</p>	<p>Cebu is one of the top destinations in the world for scuba diving and for diving enthusiasts Cebu is a must. This popular activity allows you to see an extraordinary world under the vast sea which is normally only visible to fish. The marine life you will see will amaze you with the bright colors and different varieties of fish, along with the guidance of a professional diver, you will be amazed to see some of the strangest and most uncommon sea creatures.</p> <p>For the most part, scuba diving is a relatively safe activity as long as you follow the rules and stay with your fellow divers. You will need to take a beginners diving class where you will learn the skills required; including equipment usage, defense techniques and ocean conservation.</p>	<p>Cebu is one of the top destinations in the world for scuba diving and for diving enthusiasts, Cebu is a must.
