

# FAMOUS LANDMARKS

Dear Qrex,

How are you? I'm having a great time here. The place is simply amazing! I am taking a lot of pictures of green, rolling hills and strong old brick walls. It feels like going back to the past. Doing yoga here is great because of the relaxing atmosphere. The people are very nice, too.

I would like to stay for another week, but I can't. My vacation will be over soon. I'll see you in two days and I will tell you all about it.
