Unit 7

There Wasn't a Gym

Lesson 3 Say It Out

There Was a Crooked Man

There was a crooked man, and he walked a crooked mile.

He found a crooked sixpence beside a crooked stile.

He bought a crooked cat, which caught a crooked mouse.

And they all lived together in a little crooked cot.

Let's Listen

Say It Out

Listen to the dialogue

Annie: Mom, how many students were there in your class then?

Mom: There were 40 students in my class.

Annie: Was there a music room in your school?

Mom: Yes, there was. It was on the first floor.

Annie: Was there a computer room on the second floor?

Mom: No, there wasn't.

But there was a teachers' office on the second floor.
