a dish -- \_\_\_\_\_

# Simple Past Tense

Lesson 6 • Review Time

**Say each sentence in the past tense**

She has 3 pencils in her hand.

Annie and Bill go to school.

He buys apples and bananas.

I eat oranges,  
watermelons and pears.

### Read and solve the math problems

There were **12** candies in the box  
but I ate **3** this morning.  
How many candies are there now?

We have **4** dogs and **3** kittens in our house.  
How many pets do we have?

There are **3** kids,  
and each kid has **5** books.  
How many books are there?

Each mango is **2** dollars,  
and I have **10** dollars.  
How many mangoes can I buy?

## Do a role-play

A: Excuse me, I want to buy...

B: OK, each mango is \$5...

## Read the passage

Last Sunday, Annie and her mom went to a cake shop. They bought some bread.

“Here’s your change -- 5 dollars”, said the woman.

“Oh, the bread is 8 dollars but we gave you 10 dollars. The change is 2 dollars not 5 dollars”, said Annie.

“Oh, thank you very much. You are a good girl! Here’s a cake for you”, said the woman.

Annie had a yummy cake. She was very happy.

Answer the following questions

**What's**  
the meaning of the word  
“change”?

You have \$99, and the gloves are \$27.  
How much change can you have?

What did Annie and her mom buy?

Why Annie had a yummy cake?

## Introduce Annie and make your own card

This is Annie.  
She is from...

This is me/my mom/my friend/my sister...
