**Listen to the passage** 

### Means of Transportation in the World

There are different means of transportation in the world. What do you know about them?

In Venice, there are many rivers. People usually travel by gondola. A gondola ride can give you a fascinating view of Venice.

In London, you can see the red double-decker buses everywhere. They are already a part of British culture.

In Cebu, jeepneys are popular on the streets. Each jeepney is different because of its colorful paint and it's cheap to take the jeepney.

In Shanghai, it's convenient to take the metro especially in rush hour. There is always a traffic jam in rush hour if you take a taxi or drive a car.
