Man's Best Friend

An old **saying** goes: A dog is a man's best friend.

People around the world keep dogs as pets. They live in our houses and they are like friends or family. They make us feel loved, happy and **calm**.

Studies show that dogs are very intelligent. They seem to **have the ability to read our mind**.

They can feel our **emotions** through our **voices**. When you are sad, they will be sad too.
